

ANIMAL WELFARE FRIENDS

Animal Welfare Friends, a no kill shelter in Monticello, Iowa, remains committed to furthering the mission of providing critical services for area cats and dogs. We continue to place deserving animals in safe, happy forever homes. In the last year, our animals have found their homes in nearly 20 Iowa counties, including Jones, Linn, Delaware, and Dubuque, as well as out-of-state in Illinois, Minnesota, and Wisconsin.

AWF receives no annual funding support from any source, and though generous individual donors will help on special needs cases, it's our everyday costs that are the most draining. Your support is key to our mission. **We can't do it without you!**

Thank you in advance for your consideration to help us continue this important work in our communities.
